Shamrock '69

St. Thomas High School

525 N. State St.

Ann Arbor, Mich.

Monsignor Warren J. Peek

June of this year will mark Monsignor Warren J. Peek's 29th year of service to St. Thomas Parish, regretfully it is also his last. Therefore we lovingly dedicate our '69 Shamrock to him. Monsignor Peek will always remain in our memories because of his continued interest in our education to which he devoted all of the spiritual and physical resources at his command.

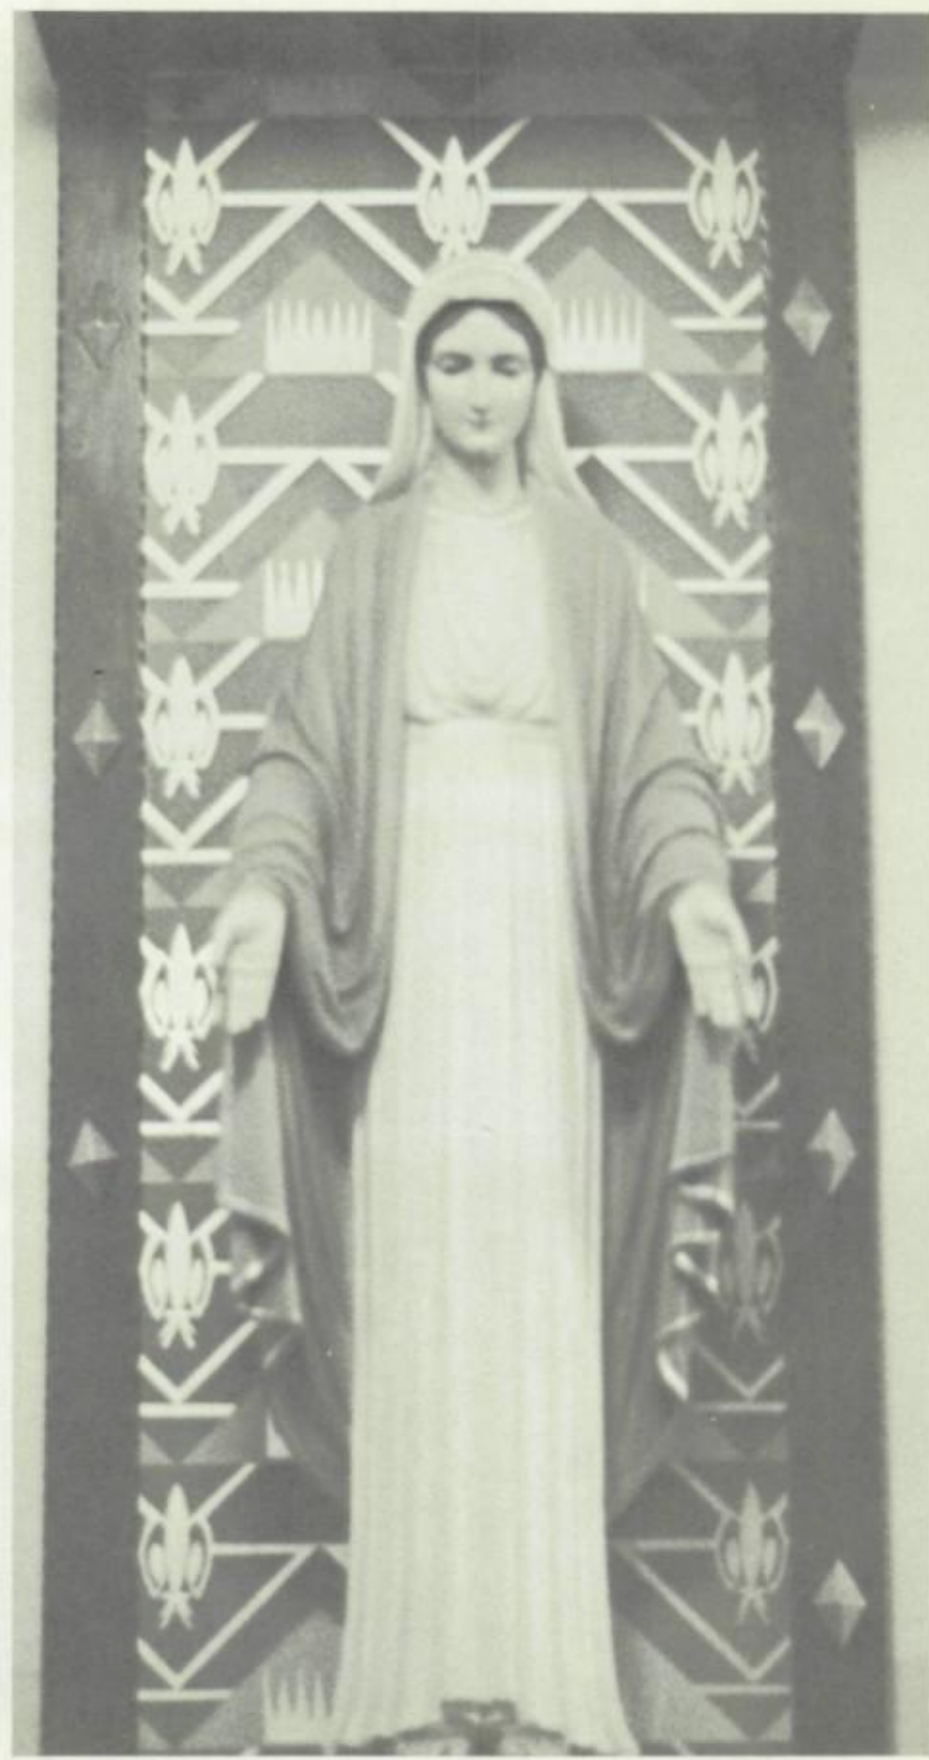

We the students of St. Thomas wish Monsignor Peek all the best on the beginning of a well deserved rest.

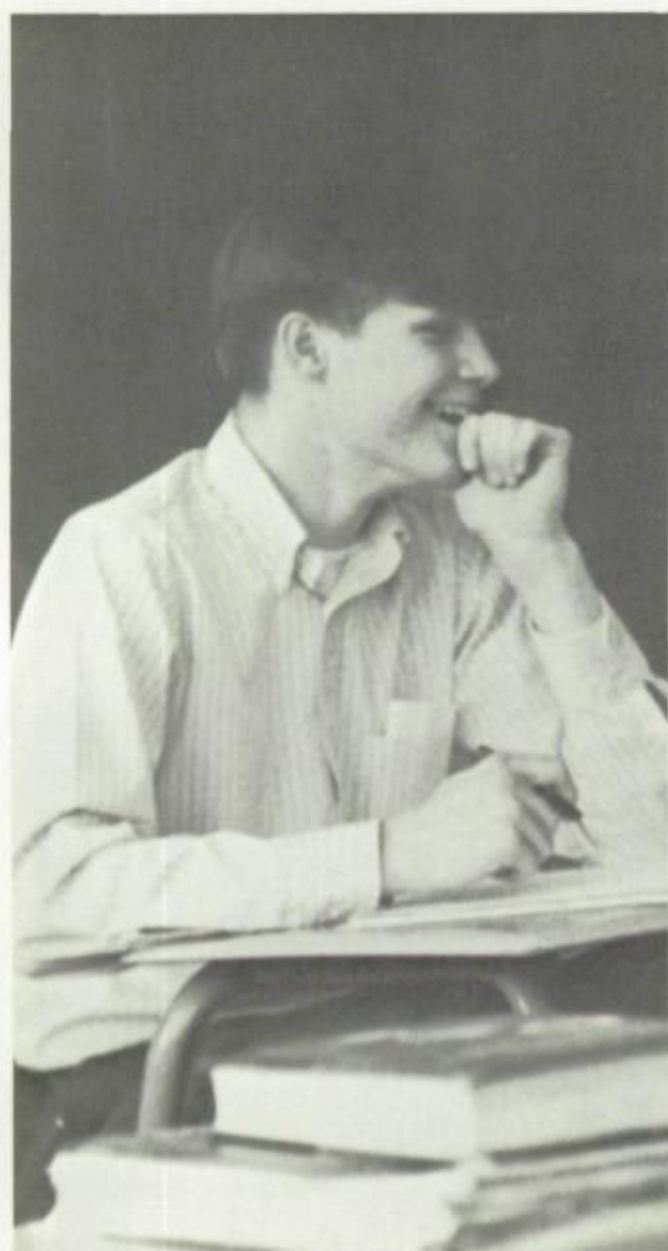

"And the Lord said to Abram; Go forth out of the country, and come into the land which I shall show thee. . . . and I will bless thee and magnify thy name."

Top: At the beginning of the school year everyone has to get adjusted to school life. Sr. Marie Lawrence helps Tom Darga decide his schedule for the coming years. **Right:** Sr. Marie Lawrence plans lessons for her Drafting classes.

MR. WAGNER

Mr. Wagner came back to us this year, first as an athletic coach and secondly he assisted Sister Marie Lawrence as Principal. He has made many contributions to the betterment of Saint Thomas in unlimited ways. We dedicate this space to him in appreciation of all the athletic and administrative services he has rendered.

This is the first year that we have had a Business Manager at Saint Thomas. We are especially lucky that we have recieved the services of Mrs. Spencer. She has kept not only our Yearbook records correct but also those of the rest of the school. Although we cannot see the visial evidence of her work she has made the school run smoother and easier this year.

*Death, be not proud, though some have called thee
Mighty and dreadful, for thou art not so,
For those whom thou think'st thou dost overthrow
Die not, poor Death, nor yet canst thou kill me.
From rest and sleep, which but thy pictures be,
Much pleasure, then from thee much more must flow,
And soonest our best men with thee do go—
Rest of their bones and souls' delivery!
Thou art slave to fate, chance, kings, and desperate men,
And dost with poison, war, and sickness dwell,
And poppy or charms can make us sleep as well,
And better than thy stroke; why swell'st thou then?
One short sleep past, we wake eternally,
And Death shall be no more: Death, thou shalt die!*

Through the Freshmen reading *The Merchant of Venice*, and the Juniors probing the inner meaning of Thoreau's essays, each student reaches a high point in the development of World and American Literature.

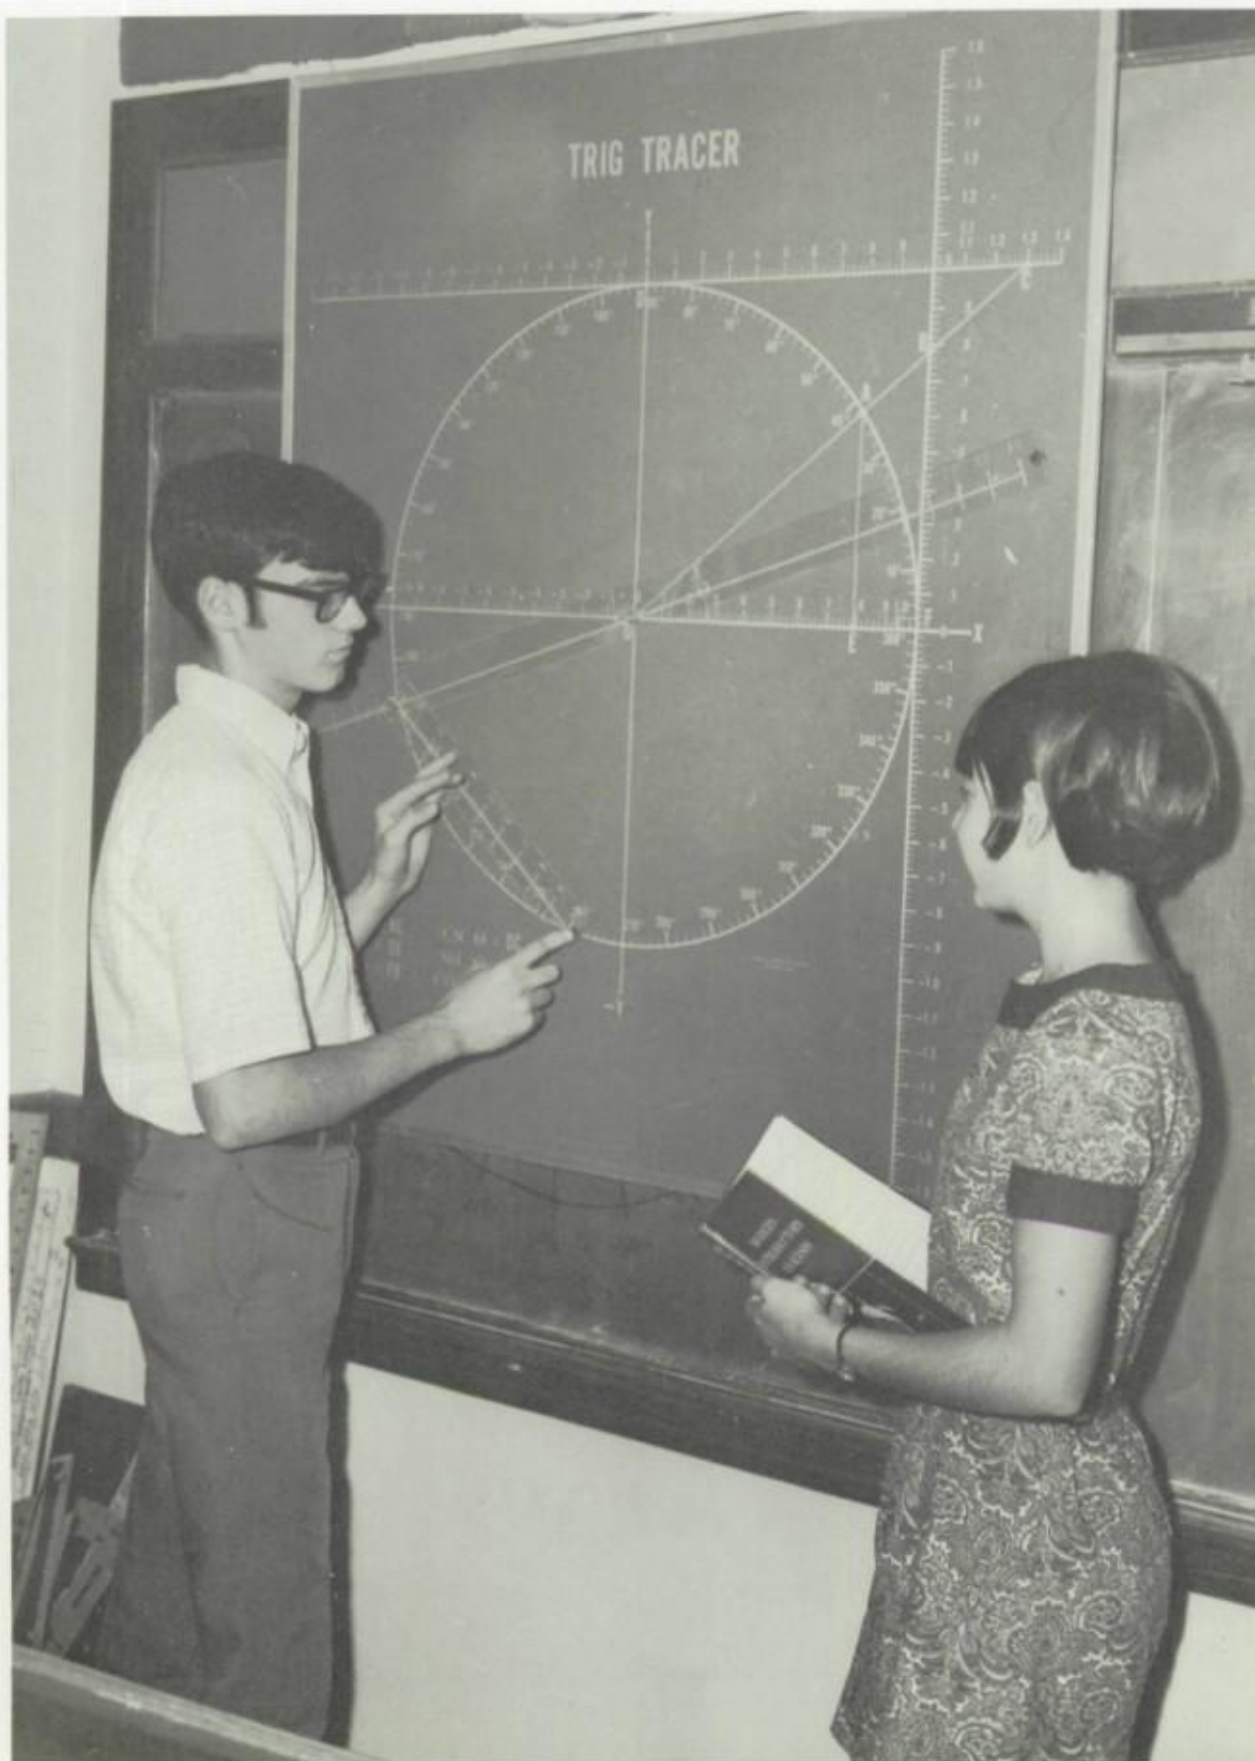

The Seniors enjoy a class with "Phil", who was a student teacher for the first semester; while the Sophomores hold a panel discussion for the further understanding of their novels, such as Dickens's *Great Expectations*.

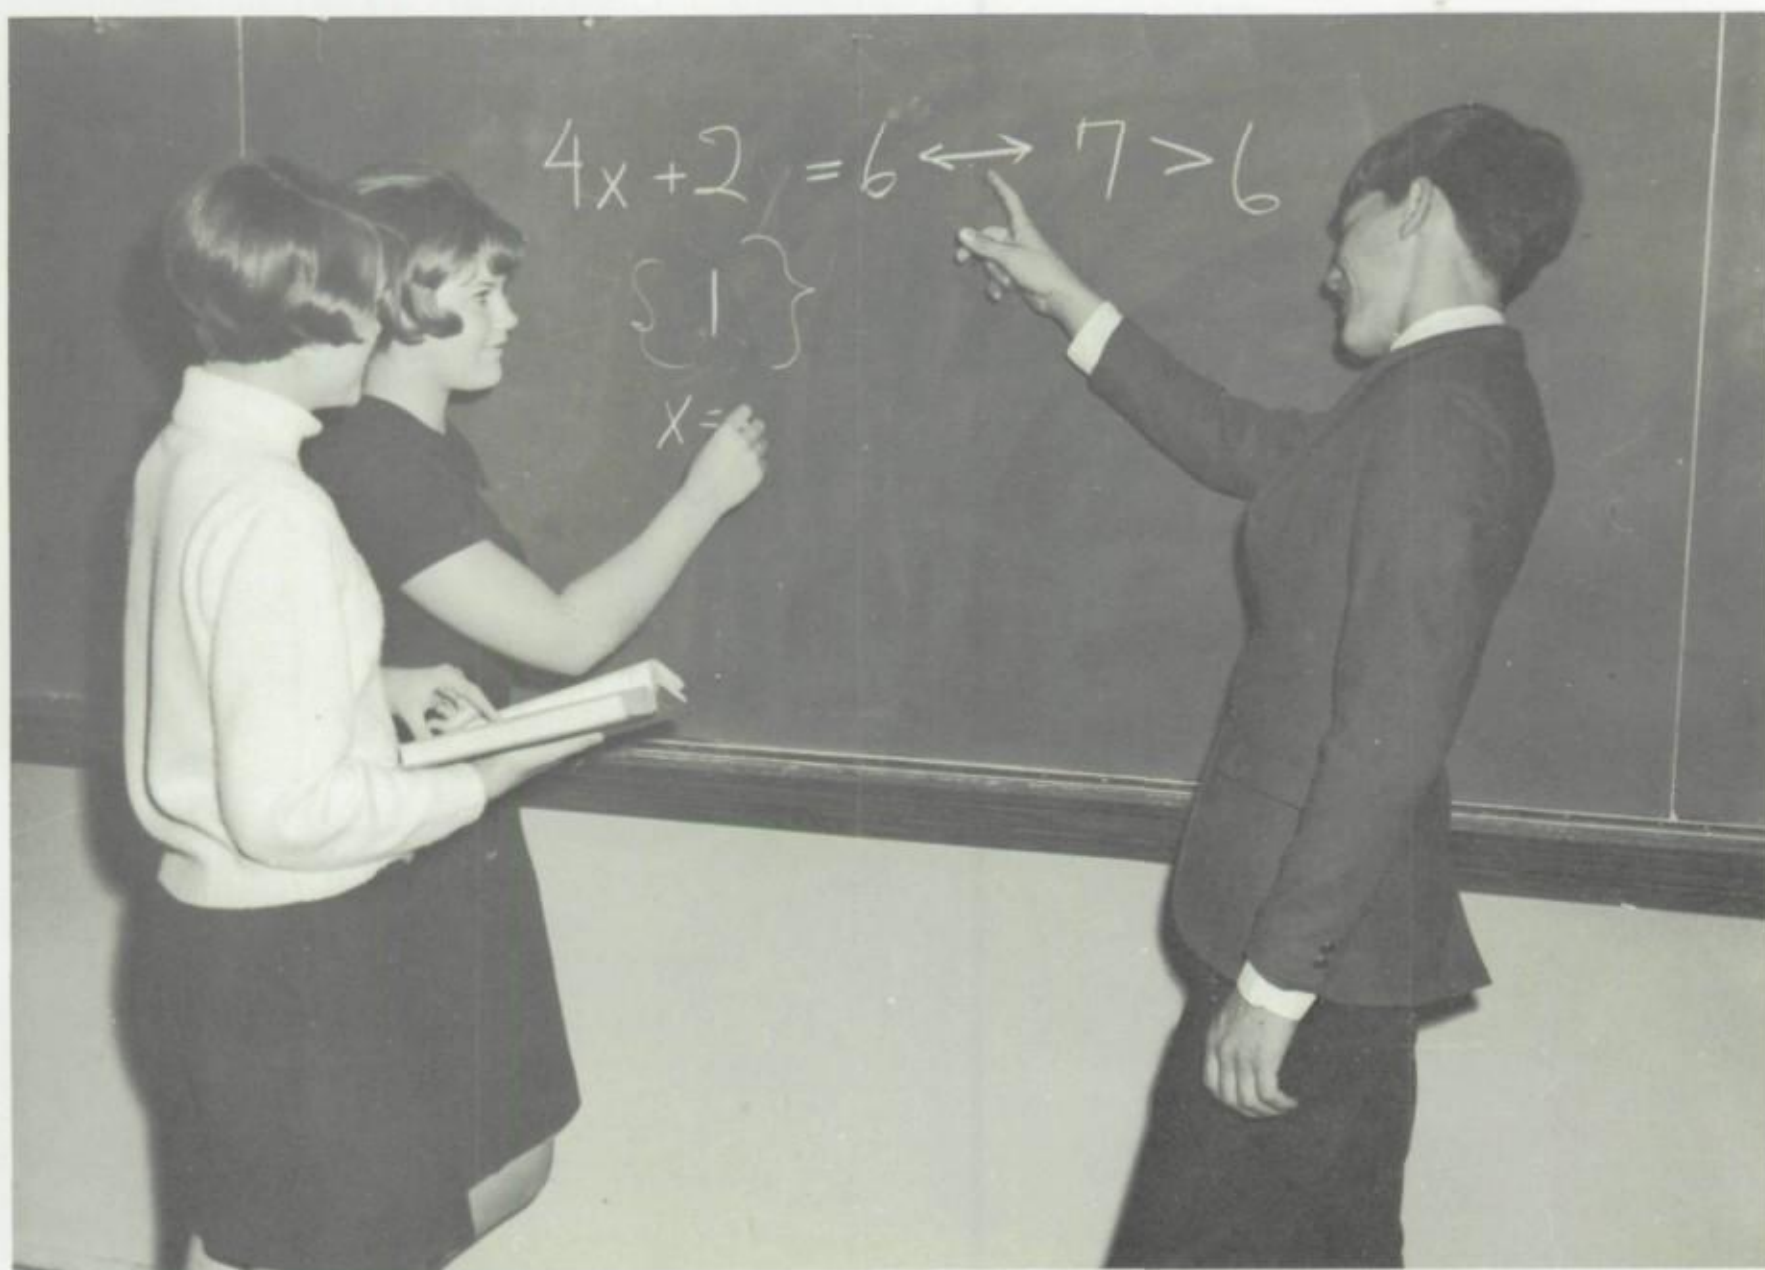

Also an aid to learning have been the plays seen on Campus. Besides being entertaining, these plays help give the students a broader outlook on stage techniques.

'PEP' '69'

Sister Augustine and officers, Pam Ellis, Margaret Krasny and Sara Vail discover the popularity of the Pep club along with many of the students.

The Jan 31, basketball game with St. John's was the climax to Pep week this year. Each class joined in the activities to show their spirit. There were many signs made, a cupcake eating contest and a Dime Dance following the Irish victory over the Crusaders.

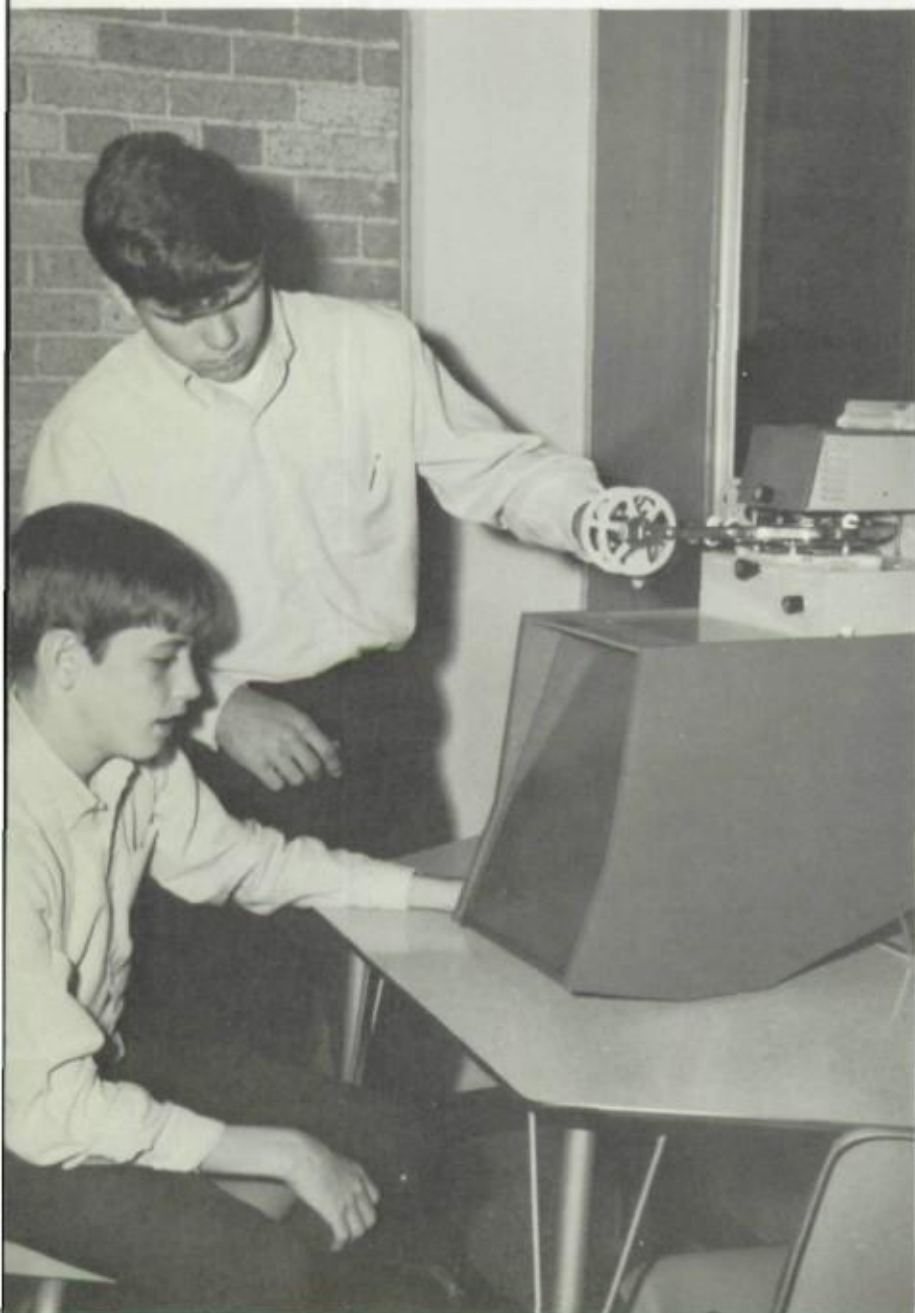

LIBRARY

STAFF

The St. Thomas library staff together with Sister Marie Justine, serves you in many ways such as: making sure the books are in correct order, the reference is up to date, and the equipment in the conference room is in good working condition.

Credit is certainly due to Sister Marie Justine for her fine work with these students and her devotion to the cause of making sure our library is a useful and beautiful room that St. Thomas should be proud of.

HOME COMING '69

A Magical Memory Tour **Homecoming 68-69**

Away in the sky beyond the clouds reigned a queen and her four attendants. By casting wonderful memories they turned the most ordinary homecoming into a *Magical Memory Tour*. If you let yourself go, you can transcend from the realities of today into the fantasies of yesterday.

QUEEN: Maxine Gibson, SENIOR ATTENDANT: Debby Pearson, JUNIOR ATTENDANT: Harriet Pearson, SOPHOMORE ATTENDANT: Kathy Gibson, FRESHMAN ATTENDANT: Laura Probst.

Our tour would not be complete without a quick look at the game. The excited faces of the queen and her court catch the tense moments of the game, even though they are now gone. Homecoming touched us all and extended past the barriers of time to create these unforgettable memories. A crown, a rosebud, become more than souvenirs. They shine and live on with the light of happy experiences.

Queen Max's sweet smile is more than enough appreciation for the traditional roses.

#

Even more colorful than the green and white display on the field, the floats added their own attraction to Homecoming Weekend. From the Freshman's Humpty-Dumpty to the Juniors "dumped Aggie", the spirit could not be shown in a better way. The dance, the game, the behind-the-scenes work on the floats, are all a part of Homecoming and fall in place in the mind's eye of a *Magical Memory Tour*.

than just a game . . .

Football 68

When you have a great coaching staff and a team that has enough desire to give 110% all the time you are bound to end up a winner. 1968 was the best football effort at St. Thomas in 5 years and a 10 point spread in the right spots could have made St. Thomas league Champs. All in all it was a successful season and for 11 seniors a memorable one.

CROSS COUNTRY

The 1968 Cross-Country season again brought victory to St. Thomas. The Irish runners retained their Southwest League Championship and while doing so ran to their 14th consecutive victory. The team consisting of Capt. Ed Driscoll, Tom Darga, John Carr, Steve Royce, Mike McGovern, Tom Marshall, Larry Barnard, Pat Chase, Mike Kraft and second in Command Bruce Oshaben. With this fine combination of true athletes and excellent coaching the Cross-Country team brought home two more trophies to adorn our already laden trophy case. With a final note the Cross-Country team promises to continue this fine standard of athletic achievement.

Above, Captain Mike Wagner shoots from corner over outstretched arm of St. John opponent.

The fighting Irish Cagers finished the season with a 6 and 9 win loss season, but the record is not a true evaluation of the team's ability. Of their nine losses, two were in overtime to St. Francis Cabrini and the number one team in the state Class D, Mt. Carmel. The Irish also lost a tough one to Detroit St. Andrew's by three points and another to Ecorse St. Francis by one point.

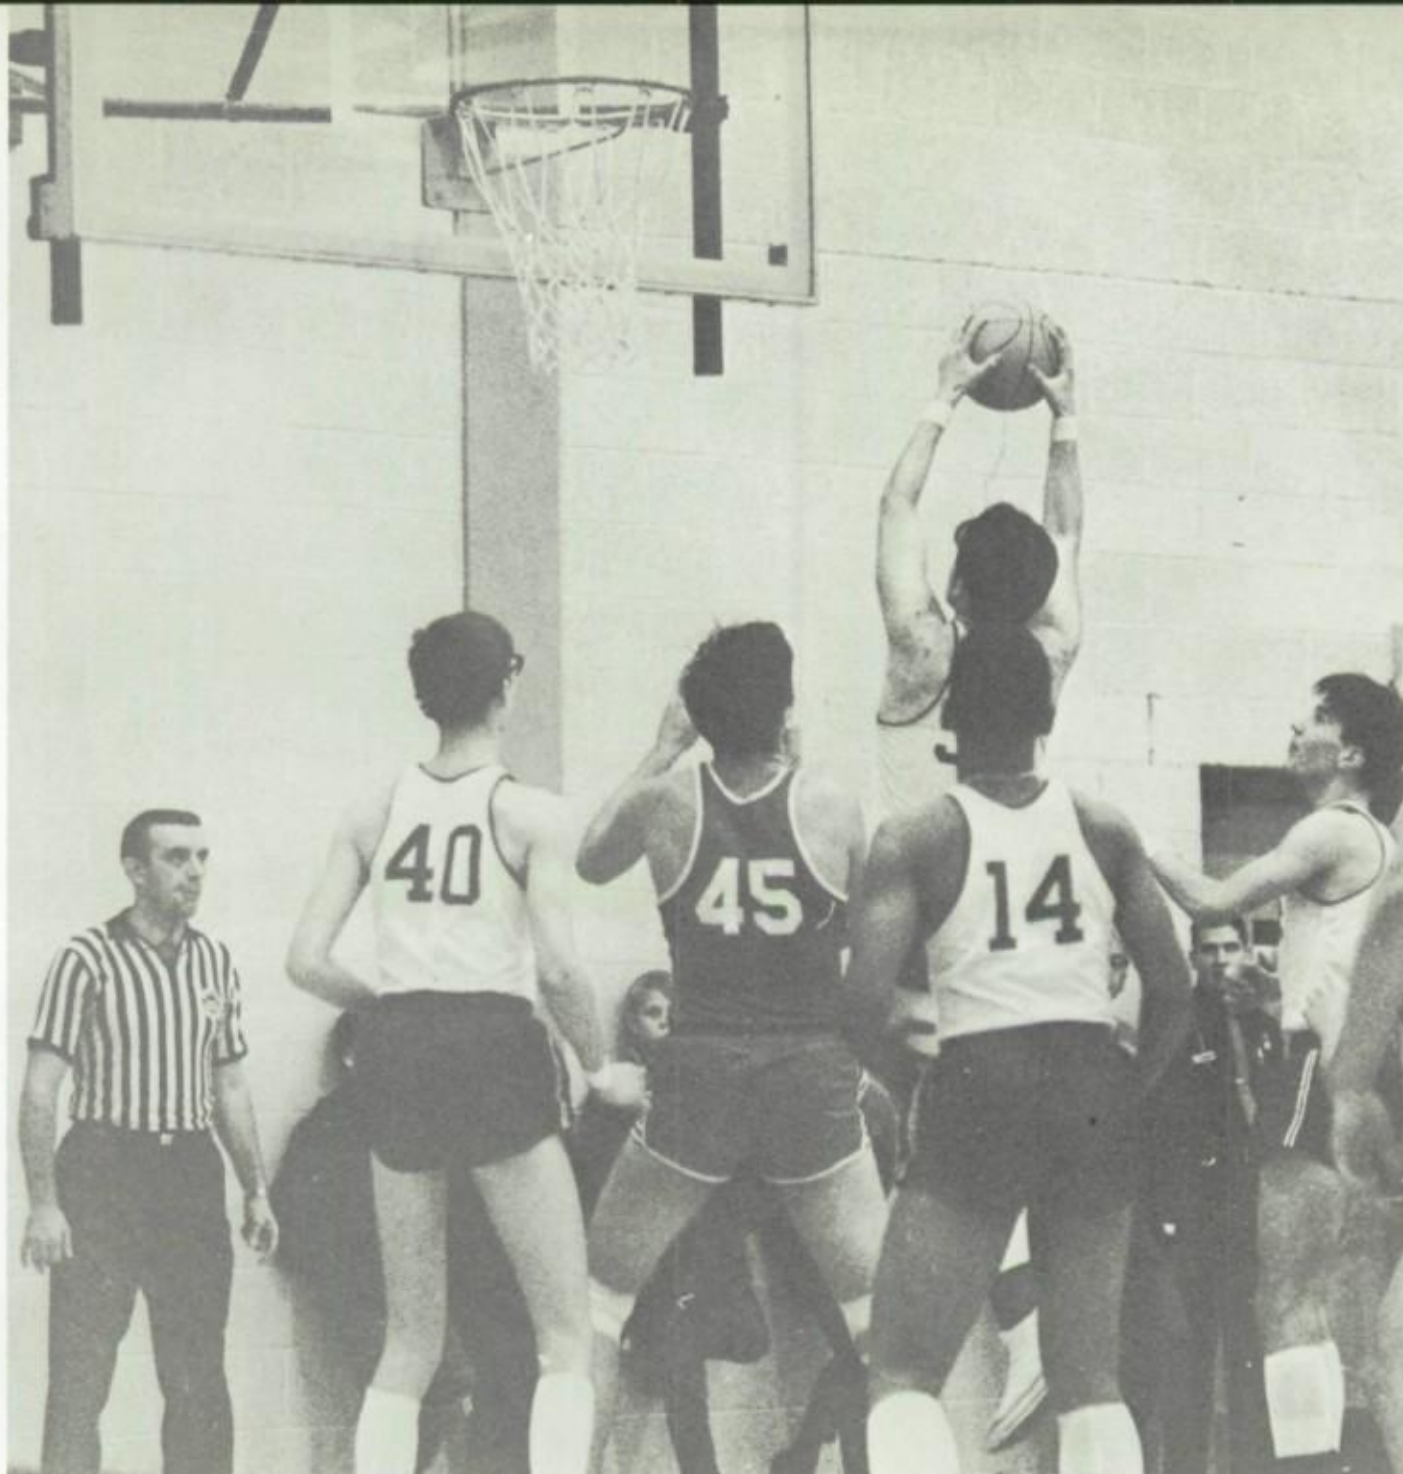

The men that made up this fine team were Seniors Mike Wagner, Pat Ryan, and Mike Ager; Juniors Peter DeFord, Mike Deighton, Steve Royce, Bill Blakemore, Marc Iott, Gino Trigg, and Dave Heber; and Sophomore Dave Iott.

Besides the six victories, there were other accomplishments of members of the team. Pete DeFord was named to the first team, All League; Mike Wagner received an Honorable Mention. Wagner also set a new career scoring record at St. Thomas of 874 points in the seasons 66-69. Mike also became the first player at St. Thomas to score a thousand points, hitting for 1,008 in his four years. Pat Ryan led the team in rebound, hauling down over 200. Much of the success of the team can be given to the second string men who without exception worked hard and long at practice, making this year's team what it was.

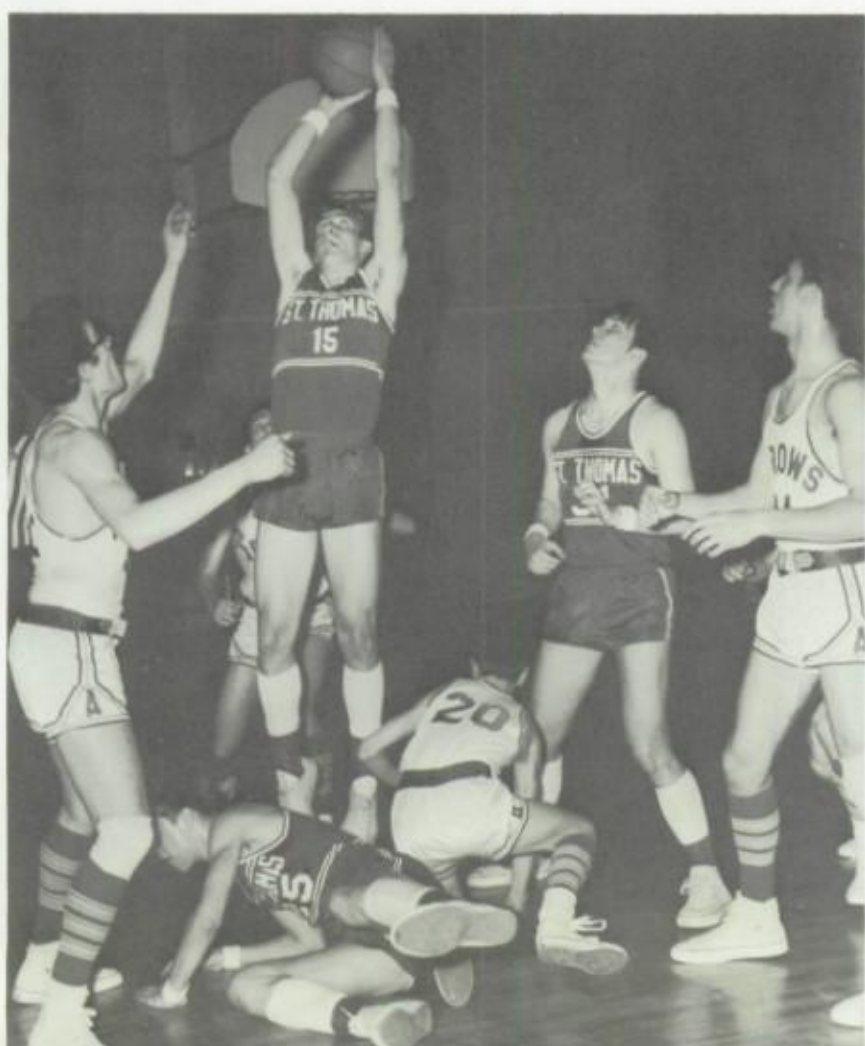

The co-captains elect for next year's team are Mike Deighton and Steve Royce.

DeFord drives base line for layup as Royce and Wagner await possible rebound.

Above, Ager, Trigg, and Wagner watch closely as Ryan grabs rebound. Below at left, Deighton comes up with loose ball to take shot. At right, Royce shoots from underneath.

Florine Mark,
executive director, Weight
Watchers of Eastern Michigan,
is herself a 37-pound loser.

What Is Weight Watchers?

Weight Watchers is the world's largest, most successful weight control movement. In the Detroit metropolitan area alone, more than 4,500 men, women and young people participate in Weight Watchers meetings every week.

Lose Weight and Keep It Off!

Crash diets, exercise, pills or medication won't do it. At Weight Watchers meetings, you learn new ways of eating. You learn along with other overweight people, in a friendly, encouraging atmosphere, from lecturers who understand your problems because every one of them is a former "heavyweight."

The cost? Registration is just \$3, weekly classes \$2, a fantastic bargain for a new way of life.

Some folks entertain the *chilling* idea that McDonald's closes up during the cold months. Not so—as any youngster will tell you! For the fact is *every* McDonald's operates at least 12 hours a day (we always open at 11 AM), seven days a week, 52 weeks a year.

We close only *two* days every 12 months—on Thanksgiving and Christmas. What do we do about the cold during the winter? Enclose the serving area and turn up the heat!

So come see us soon. We'll give you a real warm welcome, no matter what the weather.
